

This Privacy Policy governs the manner in which applications developed by Xtream IT Solutions Pvt. Ltd collect, use, maintain and disclose information of its users (each, 'User'). This privacy policy applies to all the applications developed by Xtream IT Solutions Pvt. Ltd.

Personal Identification Information

We may collect personal identification information from Users in a variety of ways, including, but not limited to, when Users log in to the application, and in connection with other activities, services, features or resources we make available on our applications. Users may be asked for, as appropriate, name, email address. We will collect personal identification information from Users only if they voluntarily submit such information to us. Users can always refuse to supply personally identification information, except that it may prevent them from engaging in certain application related activities.

Non-personal Identification Information

We do not collect any non-personal identification information like device name, device type from the users.

How We Use Collected Information

Our applications may collect and use the personal information of the Users for the following purposes:

- To improve customer service
Information you provide helps us respond to your customer service requests and support needs more efficiently.
- To improve our applications.

We may use feedback you provide to improve our products and services.

How We Protect Your Information

We adopt appropriate data collection, storage and processing practices and security measures to protect against unauthorized access, alteration, disclosure or destruction of your personal information, username, password, transaction information and data stored on our server using the application.

Sensitive and private data exchange between the application and its Users happens over a SSL secured communication channel and is encrypted and protected with digital signatures.

Sharing Your Personal Information

We do not sell, trade, or rent Users personal identification information to others. We may share generic aggregated demographic information not linked to any personal identification information regarding visitors and users with our business partners, trusted affiliates and advertisers for the purposes outlined above.

Changes to this Privacy Policy

Xtream IT Solutions Pvt. Ltd. has the discretion to update this privacy policy at any time. When we do, we will revise the updated date at the bottom of this page. We encourage Users to frequently check this page for any changes to stay informed about how we are helping to protect the personal information we collect. You acknowledge and agree that it is your responsibility to review this privacy policy periodically and become aware of modifications.

Your Acceptance of these Terms

By using this application, you signify your acceptance of this policy. If you do not agree to this policy, please do not use our application. Your continued use of the application following the posting of changes to this policy will be deemed your acceptance of those changes.
